

EXTREME UltraFlex Air Hoses

MODEL 10972, 10973, 10974

EXTREME ULTRAFLEX REINFORCED is a specially designed hose that has been developed to meet and exceed today's demanding conditions. The **EXTREME ULTRAFLEX REINFORCED** air hose stays **FLEXIBLE** in the **COLD** and doesn't **KINK** in the **HEAT**, making it ideal for all weather conditions. It's a tough hose for even the toughest of conditions and can handle compressed air applications up to 300 psi.
