MAMMUT

The **Mammut 82-Ton Jack Stand Moving Trolley** (Model 91055) is a compact trolley system for use on the Mammut 82 Ton Jack Stand (Model 91053) to easily move and position the already lightweight jack stand.

The **Jack Stand Moving Trolley** comes with large air-pneumatic wheels capable of being used in multiple environments and the most extreme conditions, providing for a much wider range of application uses out in the field or in the shop. It's ergonomically designed structure and handle make it ideal for maneuvering Mammut jack stands safely and efficiently.

- Easy positioning jack stand trolley designed specifically for Mammut jack stand model 91053.
- Compact design makes for easy storage and portability of trolley.
- Simple design, Clip right into Mammut jack stands with ease. NO NEED FOR ADDITIONAL TOOLS.
- Ergonomically designed positioning handle for easy transport and positioning of stand(s) under load.
- 100% Manufactured in Italy
- One Year Warranty
