

EASYWAY - tubeless truck tire demounting system

model 70100

WEIGHT: 37 lbs. | 17 kg
UPC: 816904023126

The **ESCO EASYWAY TIRE DEMOUNTING TOOL**

(MODEL 70100) features a classic, trusted design. Easy to use, it includes a top bead tool, bottom bead tool, and rim protector, allowing all work to be done from one side without lifting the tire.

- Demount tubeless truck tires in **8 seconds**, removing top and bottom beads from one side without lifting, eliminating bead damage.
- Made of tough cast ductile iron, it handles all tubeless truck tires from 16.5 to 24.5 inches in diameter, including some super-single floats.
- Safe for **steel and aluminum wheels**.

INCLUDES: 70100

A	70101	EasyWay Top Bead Tool
B	70102	EasyWay Bottom Bead Tool
C	70103	EasyWay Rim Protector

TYR-X TRUCK TIRE DEMOUNT TOOL - all-in-one tubeless truck tire demounting system

model 20396

The **ESCO TYR-X TRUCK TIRE DEMOUNT TOOL**

(MODEL 20396) is a safe, quick, and reliable tire demounting tool that makes truck tire demounting a simple process. Works on standard truck tires, 22.5 in. to 24.5 in. as well as the first bead of super singles or wide base truck tires.

- One of the easiest and fastest manual truck tire demounting tool on the market.
- Designed to eliminate aggressive stretching of the tire bead.
- Curved design allows for better positioning to easily grasp tire bead.
- The pivot hooks ensure easy and positive operation. Its design eliminates aggressive stretching of the tire bead.
