

GOAT WHEEL WEIGHT TOOL - patented universal multi-wheel weight tool

model 50128

The **ESCO GOAT WHEEL WEIGHT TOOL (MODEL 50128)** is the only heavy duty wheel weight tool on the market for all types of wheel weights. Install, remove, reshape and trim wheel weights with one simple tool.

- Specially designed hook to remove any style wheel weight.
- Non-slip grip which aids in grip as well as eliminating "biting" of hand while using tool, unlike competitive products.
- Easy replaceable wheel weight trimmer.
- Will not scratch or scar the wheel – no-mar design.
- Ergonomically designed tool with rubber coated handle for strong and comfortable grip.
- Replaceable polymer hammer cap & boot.

WEIGHT: 3 lbs. | 1.2 kg
UPC: 816904020453

NO DAMAGE DESIGN

Protects rim from scratch/damage - replaceable.

WHEEL WEIGHT CRIMPER
